Dear Sir/Madam,

**Submission for Prior Approval of Extra Large Rear Extension.**  
**Whiteladies Park, Prince Albert Drive, Ascot, SL5 8AQ**

On behalf of our clients, Linda and Lisette Khalastchi, we are pleased to enclose the submission for prior approval for an extra-large rear extension to the main house at the above address.

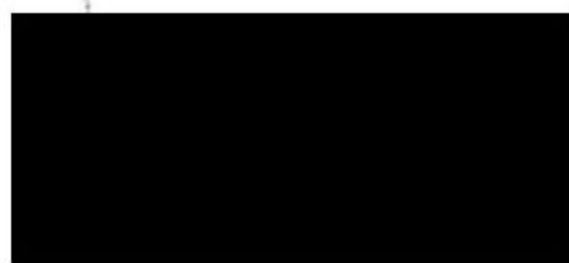

The application has been submitted online via the Planning Portal online and has been given the reference number PP-09966009.

The submission is exactly the same as one that was previously rejected under your reference 20/02933/PDXL. This time we have provided additional information in a supporting statement which explains why, upon a reappraisal, the Council should view the submission differently this time around.

We would invite the officer assessing the case to contact us if any aspect of this is unclear.

If you have any queries or require any additional information, please do not hesitate to contact me.

Yours sincerely
